**SPRINGS DANCE COMPANY** delivers RE, PSHE and Citizenship through dance, creative exploration and discussion. Our curriculum linked workshops support children's spiritual, moral, social and cultural development.

**The Selfish Giant** workshops are creative dance workshops based on the story by Oscar Wilde and focus on how the actions of the giant impact others, himself and the world around him.

**The Selfish Giant** workshops can be further adapted to suit your school and link to **British Values, Literacy** and **PSHE**. They can also extend to include **RE**.

Workshops can take place in a single day, or can be delivered as a longer residency culminating in a performance by your students.

**\*\*\* Our workshops are a great way to utilise your Sports Premium Funding. \*\*\***

Other workshops include: **The Easter Project, A Christmas Story: Refugee, Stepping Out** (for big changes) and **The Parable of the Good Samaritan**.

*"Our children were challenged ... physically, mentally, and spiritually by their workshops. All the tasks were inclusive and we could see from the children's faces how much they had developed over a short period of time. (Springs) were brilliant to work with, having the interests of the children and their learning experiences at heart. The level of creativity was outstanding.*

*There is a whole different dynamic in working with creative and contemporary dance that children rarely access in current education. We will definitely be looking at how we can develop this more in our school."*

Karen Morris, Headteacher

**We are flexible as to how our workshops fit into the school timetable.**
